- Commerce
- Tourism
- Environment
- Logistics
- Construction/Housing

particular attention given to

- Female Entrepreneurship
- Social Impact projects

the
LHoFT

Luxembourg House of Financial Technology

2nd & 3rd floors

Luxembourg's dedicated FinTech centre

- The LHoFT Foundation is a public - private sector initiative that **drives technology innovation for Luxembourg's Financial Services industry**, connecting the domestic and international FinTech community to develop solutions that shape the world of tomorrow.
- Within the House of Startups the LHoFT Foundation will pursue **its role of welcoming and accompanying companies from the FinTech** sector as well as its mission of **creating awareness and supporting** a better understanding and utilization of **new technologies** within the Luxembourg financial sector and community.
- **180 offices** divided in private offices and co-working areas
- **Objective: host over 30 Luxembourgish and international FinTech**

sector partners
