 <p><b>Cargonexx GmbH</b> Große Bäckerstr 10 20095 Hamburg <a href="http://www.cargonexx.de">www.cargonexx.de</a></p>	<p>Cargonexx is an innovative, creative and fast-growing logistics start-up based in Hamburg. Cargonexx is a digital freight forwarder that supports companies to manage truck orders with just a few clicks – simple and reliable. The vision of Cargonexx is to build the largest B2B trucking network in Europe by digitizing the complete transportation process chain.</p> <p>The company has developed a state-of-the-art machine learning algorithms to predict unused transport capacity. This algorithm can immediately calculate a market price for each shipment. Cargonexx operates as a liable freight forwarder, uses artificial intelligence to predicted freight rates and automatically assigns orders to carriers.</p>	<ul style="list-style-type: none"> <li>▪ Kühne + Nagel AG &amp; Co.
