The Cluster for Logistics Luxembourg (C4L) ID Card

The **Cluster for Logistics Luxembourg (C4L)** federates public actors & private companies to drive the sector since 2009.

Mission: support Luxembourg's logistics & diversification strategy

The Cluster regroups currently over 100 actors from the Logistics sector providing specific services. It focuses on **shippers and logistics companies and** welcomes organisations **serving or making use of logistics services**.

Transport& Logistics Munich 2019

The C4L organizes about 30 events/year with members providing networking for over 1100 F-2-F participants/year. Information is shared through web, LinkedIn, monthly News briefings and video snippets.

Economic mission China 2019

Luxembourg international logistics hub

Luxembourg's **logistics strategy** implemented with stakeholders develops the current platforms into a resilient common hub with focus on digital innovation, Infrastructure (EUROHUB and Healthcare Center at the airport) and supply chain experts.

- Gateway from/to and through Europe
- Cross-dock hub for European land transport
- European and regional distribution centre
- Logistics centre for value added services
- World-class connectivity and IT
- Using sustainable logistics processes for the future

Trade facilitation Single Window for Logistics www.swl.lu

The information portal brings together, in a single centralized location, information concerning the services offered by Luxembourg administrati ons.

www.swl.lu

TRADE FACILITATION

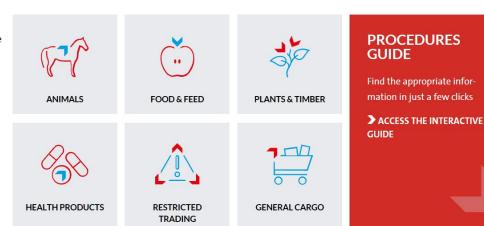

The Single Window for Logistics facilitates collaboration between economic operators and government agencies of the logistics sector by providing a single administrative point of access for electronic exchanges related to international trade flows. The Customs Administration cooperates with all other involved government agencies to propose easy and fast import/export procedures.

CUSTOMS FORMALITIES AND OTHER PROCEDURES

All goods imported, exported or dispatched within the European Union are subject to the same standard obligations. Some types of goods have additional specific formalities and constraints.

- GENERAL FORMALITIES
- > TAXES & FEES
- REQUIRED DOCUMENTS
- > ONLINE SERVICES
- GOVERNMENT AGENCIES
- > FAQ
