Webinar Agenda **16:00-17:00**

1. Welcome Speech and Introduction **Malik Zeniti, C4L Luxembourg Director**

2. Securing food supply; Laurent Uhres/Witold Ferenc – Open-routing

"How can home delivery profit from digitization and COVID19 experience"

Moderated by Kevin D'Antonio from EY Luxembourg –
C4L Learnings from Matchathon

<https://hackthecrisis.cognistreamer.com/#/app>

- Success case from Poland: How successful digitization in home delivery can increase customer satisfaction and revenues, while decreasing impact on climate change.

3. Securing the Road: M. Berger from AXA assurance

"Securing the road with your insurance package – How to protect truck drivers in Europe"

How to prepare for low-growth & transform the downturn into growth?

4. Securing your talents: Leaders Don't walk alone!

Lisa FRANCIS-JENNINGS from Odgers Berndtson

How to ensure the organization capitalizes on its strengths and explores innovative options for success by securing and retaining the best leaders possible.

5. Securing Maritime freight – Patrick Steenacker CEO of Malmy Shipping&Services and member of Cluster Maritime Luxembourg

6. Improving companies liquidity by lowering inventories.

Serhiy Palamar from Sourcify

- Inventories in the time of COVID19 need to have a good control and change mechanism.

7. Questions and Answers

Followed by Closing remarks by moderator Mr. Zeniti
