

# Cluster for Logistics Seminar

## Supply Chain Optimization: Leveraging Data Science to Improve Strategies

with Hamlet Consulting and Wakeo

**CLUSTER  
FOR  
LOGISTICS**  
LUXEMBOURG  
ADDING VALUE IS THE KEY.

**10th October 2023**  
**11:15 - 13:30**  
**Chamber of Commerce**

Worldwide instability and market disruption require a flexible and resilient supply chain.

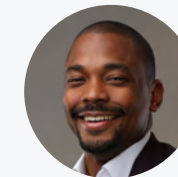

Join us and meet supply chain experts from Hamlet Consulting Luxembourg and Wakeo to learn how to tackle these challenges and apply data science and real-time visibility to optimize your supply chain.

### Main talking points:

- Open new perspectives with Data Science
- Get insights to digitalize your supply chain through concrete business cases
- Innovate by taking full advantage of data

**Florian Grova**  
Senior Manager  
Hamlet Consulting  
Luxembourg

**David Watson**  
Sales Director Benelux  
Wakeo
